# Welcome to GREATER VICTORIA, B.C.

Welcome to the 2019 edition of our Visitor Guide. Greater Victoria is a destination with a diverse offering of hotels, restaurants and attractions.

Greater Victoria will nourish your mind, refresh your body and soothe your soul.

Whether you have explored our shores before or still dream about doing so, there has never been a better time to visit. Our region offers something for everyone, no matter what you seek.

Victoria's compact downtown buzzes with cosmopolitan energy. Sooke to Port Renfrew weaves through ancient old-growth forests, pristine ocean beaches and untrammeled surf. The WestShore and the southern Gulf Islands, such as Sidney Island, sport recreational experiences for every taste. Saanich Peninsula, with its world-renowned vineyards, is an epicurean paradise.

From the trails and parks of Saanich, to tony Oak Bay to the transcendent Gulf Islands, Greater Victoria is a community of communities, each offering its own experience.

And, of course, we are famous for our iconic Inner Harbour, The Butchart Gardens, Royal B.C. Museum, and as the home of Canada's oldest Chinatown.

On land or at sea, amazing activities are possible year-round in our temperate climate.

When you arrive in Victoria, make sure to stop by our Visitor Centre in the Inner Harbour. Our trained counsellors are happy to help you discover your next great adventure.

We promise your trip to Victoria will deliver many unforgettable moments, and we look forward to welcoming you back again and again.

GET TO KNOW VICTORIA  
ON THESE POPULAR  
GUIDED TOURS

BY SUE KERNAGHAN

**Sometimes the best way to see a city is to have a local expert show you around. In Greater Victoria, whether you'd rather walk, ride, pedal, sail or even fly, there's a tour for you.**

## BY FOOT

It's no surprise that Victoria, one of Canada's most pedestrian-friendly towns, boasts a wealth of walking tours.

Start with some salty tales of Victoria's seafaring past on an **Inner Harbour Walking Tour**. These hour-long strolls, led by experts from the Maritime Museum of British Columbia, run daily all summer and include admission to the **Maritime Museum** – which is itself a fascinating stop.

Alternatively, join **Discover the Past Walking Tours** for a behind-the-scenes look at Victoria's most intriguing neighbourhoods. On the **Chinatown Walk**, for example, you'll visit an herbalist, sample the wares at a traditional bakery and get the inside scoop on secret societies and hidden tunnels in Canada's oldest Chinatown. Later, if you dare, step into Victoria's dark side on one of Discover the Past's evening **Ghostly Walks**.

Ocean beaches, lakes, mountains and forest trails are also part of the Victoria experience. Go with **HikeVictoria.com** on easy walks to the area's best beaches and viewpoints or on a more challenging hike to the top of Gowlland Tod – a moderate trek leading to sweeping views over Finlayson Arm and the Olympic Mountains.

The guides at **The Natural Connection** embrace the concept of forest bathing – gentle walks that support well-being by simply being in nature; half-day, full-day and sunset walks cater to all fitness levels. A top choice is the company's **Taste the Coast Tour**, which mixes trail time with sampling stops at farm stands, microbreweries and more.

CLOCKWISE FROM LEFT:  
Bastion Square, Government Street, Victoria Kayak, Pacific Rim National Park Reserve

Victoria's rich gastronomical history makes it a foodie destination. Learn about local history, food and customs while exploring the heart of Victoria with **Victoria Food Tours**. In the mood for a culinary adventure? **Feast Concierge & Tours** has you covered with its many distinct tour offerings.

## BY BIKE

Victoria – Canada's cycling capital – has more bike commuters per capita than any other city in the country. It's no surprise two wheels are a great choice for sightseeing.

If you haven't been on a bike for a while, try **Bike Tours Victoria**. You'll enjoy quiet side streets and make frequent stops at top sights and scenic spots on these leisurely rides.

With **The Pedaler Cycling Tours and Rentals**, you can sample local fare, visit brewpubs, and learn about key landmarks on a guided city ride or hop on an all-road bike to explore the trails and country lanes further afield.

Fancy a road trip? **North 48 Bikes** offers longer bike tours through the forests and farmland north and west of Victoria.

Whether you're travelling with a group or flying solo, experience the pubs of downtown Victoria on **the Rolling Barrel**, Victoria's first pedal bike tour. Between stops, passengers are encouraged to dance, snap pictures, play games and, most importantly, have fun!

For mountain bike trails, ask Alex. Join bike coach and guide Alex Jethas of **Alex's Mountain Bike Tours** on some of his favourite daylong adventures around southern Vancouver Island. Door-to-door transport and loaner bikes are available.

## BY MOTORCYCLE

Prefer a little more rev? Experienced motorcyclists can join **Cycle BC** on a guided half-day adventure around the city, along the coast and up to a mountaintop viewpoint.

If you'd rather someone else do the driving (or you just love an offbeat tour) check out **Westcoast Sidecar**. You plus one companion can see the sights from the comfort of a motorcycle sidecar.

## BY HORSE-DRAWN CARRIAGE

Clip-clopping through town in a traditional horse-drawn carriage is a delightfully old-school – and romantic – way to see the sights. You and up to five friends can sightsee in a classic open carriage pulled by a well-cared-for draught horse with **Tally-Ho Carriage Tours** (fun fact: they started as a stagecoach company in 1903) and **Victoria Carriage Tours**. A variety of 15- to 90-minute narrated tours take in Victoria's top heritage districts, the Salish Sea waterfront and the leafy pathways of Beacon Hill Park.

## BY BUS

On a hop-on, hop-off tour, you can sightsee at your own pace – stopping at any of more than a dozen attractions around town and rejoining the tour whenever you like – your ticket is good all day. **Gray Line Sightseeing Victoria** offers open-top double deckers. Gray Line's double deckers also run evening city highlights tours.

For narrated coach tours of Victoria and trips to The Butchart Gardens, contact **CVS Tours**. Afternoon tea, whale watching, local food sampling and evening tours are all on the menu.

## BY BOAT

**Victoria Harbour Ferries**, the little foot passenger boats plying the Inner Victoria Harbour, are a great way to see Victoria from the sea. Choose from a 45-minute Inner Harbour tour or opt for a 75-minute cruise along the historic Gorge Waterway.

More seafaring? **A 3-Hour Sail** runs family-friendly sailing adventures on the Duen, a heritage tall ship from Norway. The ship explores the lagoons and islets of Victoria's coastline from June to September.

One of the most exciting things to do in Victoria is see a variety of whale types and other wildlife on a whale-watching tour. Several local companies offer full-day and half-day trips.

More information on whale-watching options can be found here: [tourismvictoria.com/see-do/whale-watching](http://tourismvictoria.com/see-do/whale-watching)

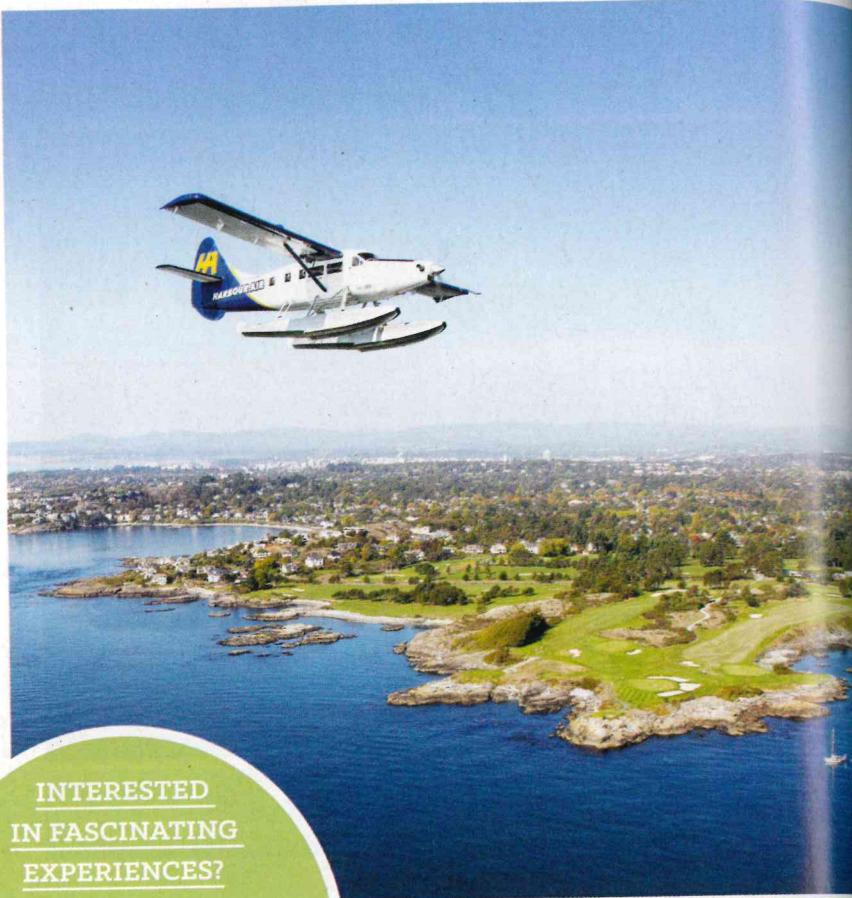

## BY AIR

Nothing wows like seeing the Salish Sea and Victoria's skyline from the air. Choose from a small plane flightseeing tour with the **Victoria Flying Club** or a scenic seaplane jaunt with **Harbour Air**. Date night? Whisk away your date to The Butchart Gardens for a romantic meal in the famous gardens on Harbour Air's Fly 'n Dine tour.

Better yet, arrive by helicopter from Vancouver with **Helijet**, or by seaplane from Seattle with **Kenmore Air**. These aren't narrated tours, but the views are just as breathtaking. Once you land, Victoria's local experts will be happy to show you around. ☺

EXPLORE 6 DISTINCT REGIONS  
IN & AROUND GREATER VICTORIA

BY COREY VAN'T HAAFF

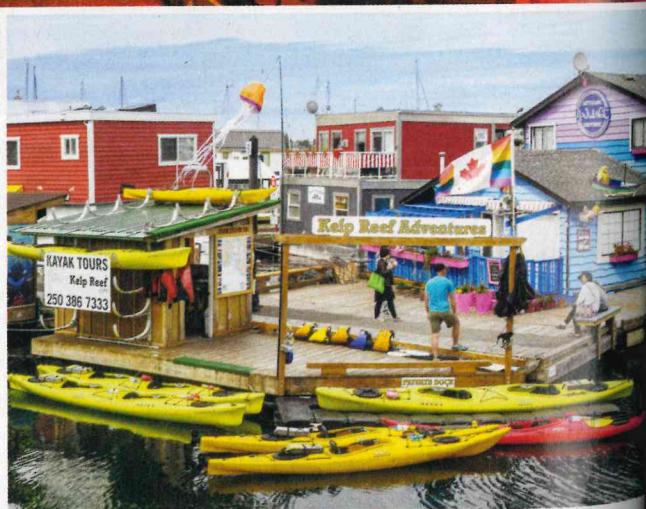

**Fill an afternoon, a day or a week with adventures that will create memories to last a lifetime.**

## VICTORIA

For those seeking a rich history, a regal presence and a rousing cultural experience beyond compare, British Columbia's capital city, Victoria, named after the revered queen, will not disappoint. You'll see proof of Britain's influence, but also of Victoria's origin, as the traditional territory of the Lekwungen people, including descendants from the Songhees and Esquimalt nations. Learn more by exploring the Signs of Lekwungen, an interpretive walkway along the Inner Harbour.

The Royal BC Museum chronicles the province's natural and human history, balancing the curiosity of visitors with the duty

VADIM GRAIFER

of safeguarding historical and cultural heritages. Featured collections include 10,000 years of history of B.C.'s First Nations cultures. You'll enjoy the Natural History and Human History collections and be spellbound by the more than 100 paintings by Emily Carr.

The **Parliament Buildings** and their central dome overlook the Inner Harbour. The front lawns have held as many as 40,000 people at events. Nearby is the historic yet recently renovated **Fairmont Empress Hotel**, where afternoon tea is a local favourite.

If you crave a more global experience, **Chinatown** celebrates the spirit, architecture and food of the Chinese immigrants who arrived 150 years ago. Walk through the Gate of Harmonious Interest and view the Chinese Public School and its hanging lanterns. Or, enter through **Fan Tan Alley**, the narrowest street in the country and the home of more than a dozen locally owned shops. Inhale the ocean air, munch on local fish and chips, and watch otters and seals frolic below the water's surface at **Fisherman's Wharf**, a working harbour. If naval history excites you, check out **Esquimalt**, just five minutes away. Explore the parks and beaches or visit the **CFB Esquimalt Naval and Military Museum** and learn what the Military Police are doing today.

More information about the Military Museum can be found at [tourismvictoria.com/see-do/activities-attractions/arts-culture-history/naval-military-museum-cfb](http://tourismvictoria.com/see-do/activities-attractions/arts-culture-history/naval-military-museum-cfb)

## OAK BAY

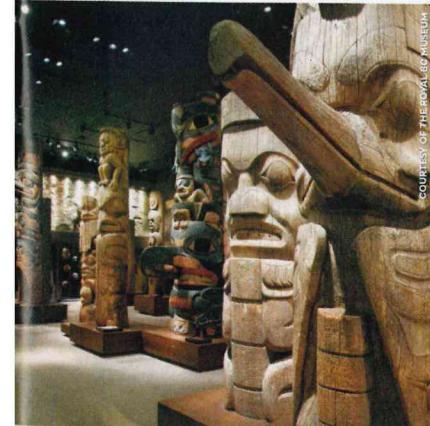

From Victoria, drive the south shore or hop on a tour bus and head to **Oak Bay**, a quaint beach town in a spectacular natural setting. On your way, stop by **Craigdarroch Castle**, a stunning example of Victorian architecture built in the 1890s by wealthy coal baron Robert Dunsmuir. Once in Oak Bay, enjoy kayaking, dining at the **Oak Bay Marina**, visiting small art galleries such as **The Avenue Gallery**, and basking in luxury at the **Oak Bay Beach Hotel**.

## SAANICH, SIDNEY & THE PENINSULA

Head northeast of Victoria and be lulled driving through the lush pastures and rolling hills of Saanich and the Saanich Peninsula. The renowned **Butchart Gardens** tempt you with relaxation in both the Japanese Garden and the Sunken Garden, or tease you with an aromatic afternoon exploring the Rose or Italian Gardens. For a hands-on Children's Garden, head over to the **Gardens at HCP**, home of Canada's largest outdoor bonsai garden and a unique winter garden.

Keep driving and discover for yourself the welcoming experience that awaits at **Roost Vineyard Bistro and Farm Bakery**, where the focus is local food, wine and sustainability. North Saanich's **Snowdon House** provides gourmet foods and a genuine farm house B&B experience. Don't miss the fruit-infused vinegars.

Continue along the peninsula until you arrive at the seaside village of Sidney, home of the **Shaw Centre for the Salish Sea**, a world-class aquarium and learning centre. Dig and discover at **Mineral World and Scratch Patch**. Then, think skyward and head to the **BC Aviation Museum**, which collects, restores and displays aircraft and artifacts.

## WESTSHORE

If excitement is what you crave, you'll find it in Westshore.

Strap on your helmet and grab a bike (bring your own or rent one at **TREK Bicycle Store of Victoria** or **Sports Rent**) and ride the **Galloping Goose Regional Trail**, lined with forests, ferns, a river and even a trestle bridge. For young and young-at-heart thrill seekers, there are sky-high obstacles such as ziplines, aerial games and a 40-foot jump at **WildPlay Element Park**. If you need more speed, get stoked at **Adrena LINE Zipline Adventures** and see nature from new heights. There's even a night ride.

For a more relaxed pace, let the experts at **Golf Central** find the right game of golf for you. From a shuttle ride to a preferred tee time, ask them about **Bear Mountain's** Mountain or Valley Course, **Highland Pacific Golf Course** or **Olympic View Golf Club**.

If you're channeling your inner Edwardian persona, visit **Hatley Park National Historic Site** and the grand Hatley Castle, or take another step back in time and visit the secret bunkers at **Fort Rodd Hill** and **Fisgard Lighthouse National Historic Site**.

Of course, you'll find a comfortable place to stay and you'll enjoy delicious meals at the **Moon Water Lodge**, **Malahat Chalet** or **Villa Eyrie Resort**, where the amazing view comes with every room.

## SOOKE & PORT RENFREW

A squabble of gulls, a siege of herons or a single black oystercatcher, there are so many birds, you'll never walk alone at **Whiffen Spit**. This less-than-a-mile-long sandspit running into Sooke Harbour offers a raw, wild experience watching birds, the water and the skies.

If the call of the waves is what you are longing to hear, head over to Jordan River, where the surfing is competitive and not for beginners.

But if it's the land that beckons and you thirst for endless views of the shorelines, the **Juan de Fuca Trail** will satisfy you fully. This 47-kilometre wilderness trail runs from China Beach to Botany Bay in Port Renfrew. The surf roars and wildlife and marine life are visible, but take note, the trail is strenuous and sometimes rugged. When you get to Botanical Beach you'll see one of the richest tidal areas along the West Coast. For a fantastic coastal walk a little closer to Victoria, try **East Sooke Regional Park** with 50 kilometres of trails through forest, marsh and field, complete with tidepools.

Afterward, you'll appreciate the relaxing hot tub at **Prestige Oceanfront Resort**. Or, if you have a large group, consider a luxury two, three or four bedroom vacation home at **Sooke Harbour Resort and Marina**. If you'd rather not have to choose between a luxury waterfront vacation or a hardy wilderness lodge, you'll find both at **Wild Renfrew** at the end of West Coast Road.

## THE GULF ISLANDS

You'll always remember the Gulf Islands. Take the **Island Time Tours** guided day trip to Salt Spring and enjoy a tasty visit to a cheese farm, followed by shopping in **Ganges Village** and a refreshing visit to a funky brewery that uses deep spring waters. Or book a single or multi-day adventure with **Coastal Bliss Adventures**.

If you are here on a Saturday, plan on visiting the famous Salt Spring Saturday Market where potters, jewellers, fibre artists, woodworkers and artisanal food producers all sell their treasures.

For something spectacular, try **Gulf Islands National Park Reserve**, a 15-island nature area where deer, orcas and seabirds are frequently seen from shore, from your kayak, on your hike or from where you pitch your tent. Listen to

frogs croaking or find one of four view scope locations on Saturna, Mayne, Sidney and Pender islands. Can't kayak? No worries. Head to **Ocean River Sports**' Saturna Sea Kayaking Outpost for tours and rentals. The staff will point you in the right direction for what you want to see.

There's no shortage of excellent places to stay, including the glorious **Poets Cove Resort and Spa** on Pender Island with breathtaking views and sunsets. Go glamping and grill your own burgers in one of seven shiny Airstreams at **Woods on Pender**, embrace laid-back country luxury on the 22-acre **Hastings House Country House Hotel** or watch the sun rise over the Salish Sea from **Harbour House Hotel** on Salt Spring Island. ☀

### CLIMATE

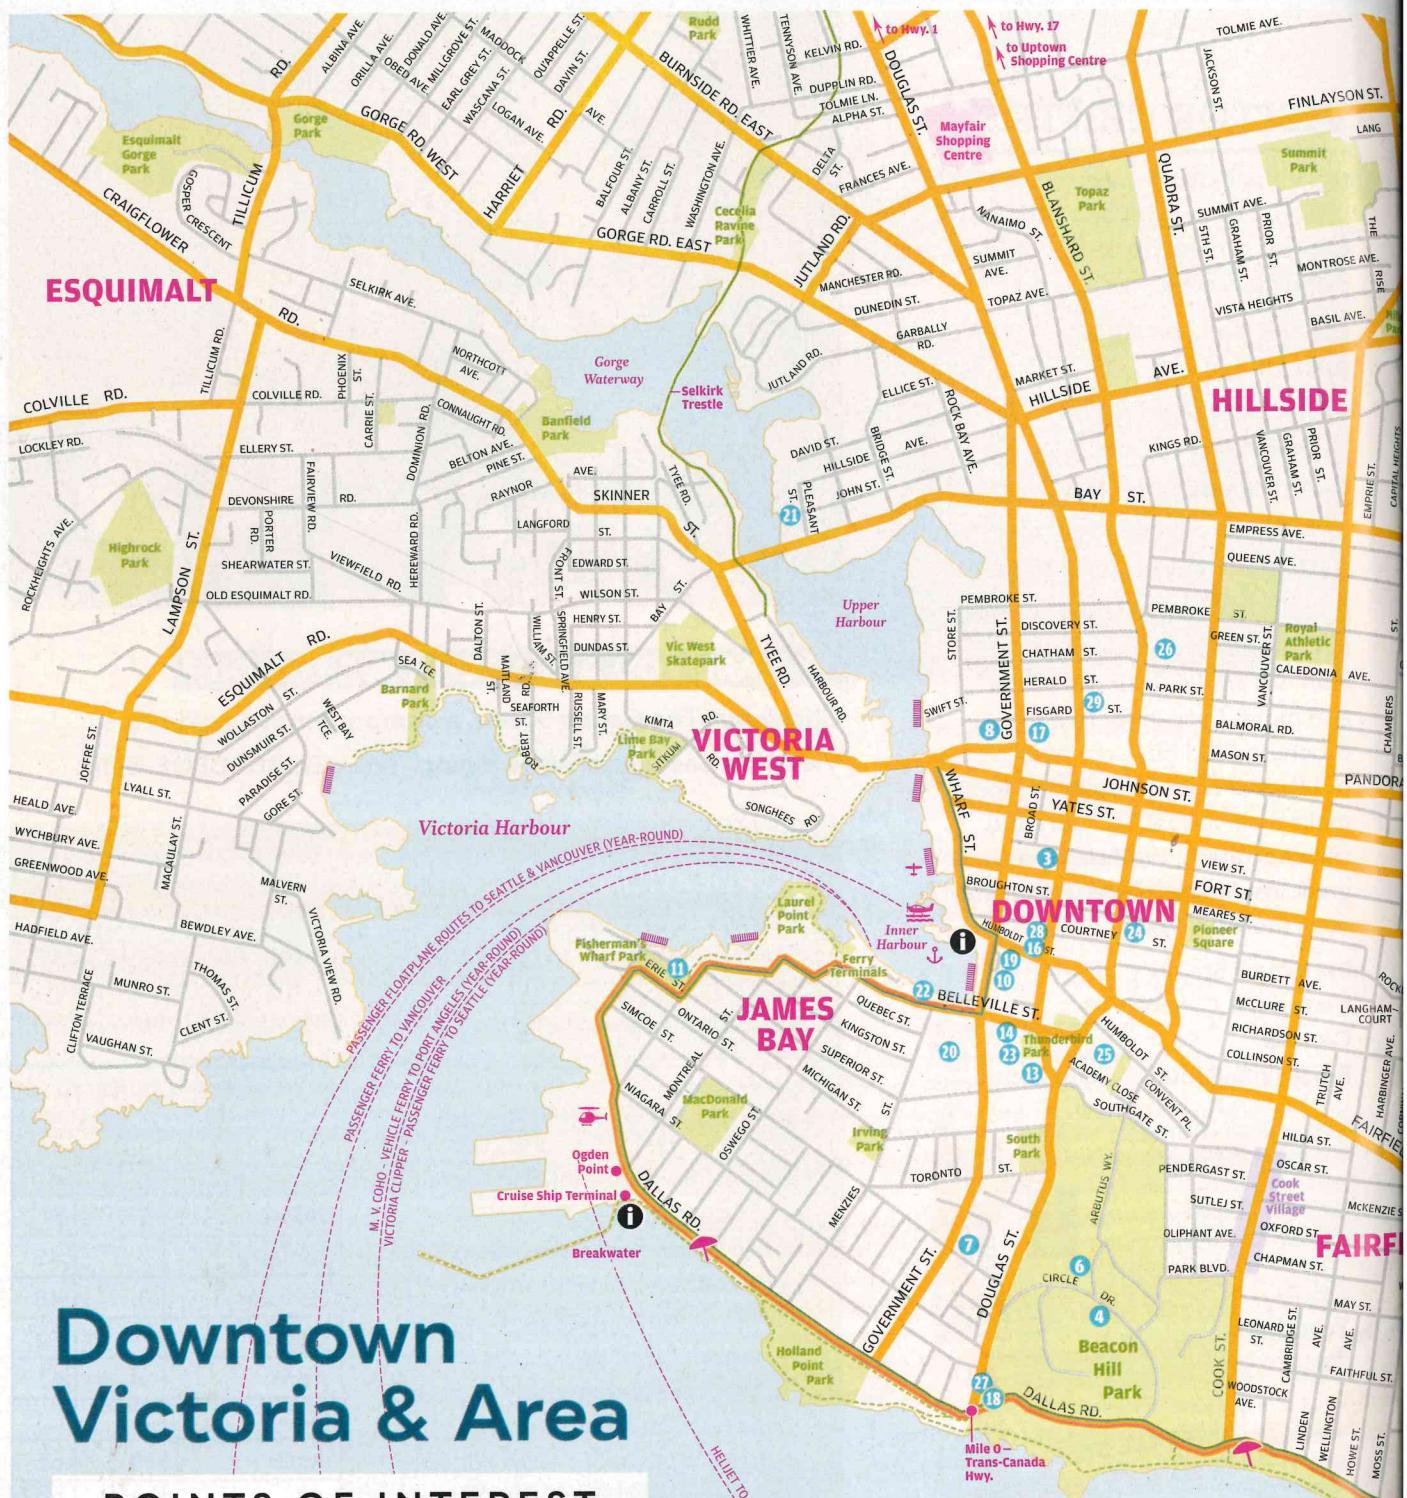

Victoria has moderate temperatures year-round. The average monthly rainfall in winter is 13.5 centimetres (5.3 inches) and in the summer is less than 2.5 centimetres (1 inch). Compare that to Seattle's average monthly winter rainfall of 34.3 centimetres (13.5 inches) and monthly summer rainfall of 8.6 centimetres (3.39 inches). Victoria has a low humidity ratio and almost constant offshore breezes, which keep summer days from becoming too hot. Summer evenings cool off, and a sweater or light jacket is recommended.

Victoria boasts an average of 2,193 hours of sunshine yearly and an

eight-month frost-free season. Although winters are mild, warmer clothing is recommended November through March.
